Congratulations to CBGC member Harshad Desai for incredibly hitting two Hole-in-Ones during the same week at Great Hills Country Club in Austin Texas where he was playing in a Member/Guest tourney! He had his first on Thursday 9/8 and the second, on the very same hole, on Saturday 9/10. The Par 3 played 155 yards with two different pin locations. Both Hole-in-Ones were made using a very well struck 6 iron!

Congratulations to our own Pepper and Chuck Martin for winning gross with a 219 and net with a 193 in their flight in the National Father & Son Team Classic ~ the largest father-son event in the world! Nine out of the 14 years they have played, they have won gross or net crystal in their flight. The first day they played best ball of the two, second day was alternate shots and the third day was a scramble. Awesome job guys!
