## **CONGRATULATIONS!**

Andy Barbin, General Manager / Director of Golf at Chesapeake Bay Golf Club, has won the President's Plaque from the PGA Special Awards Program. This award is designed to recognize individual PGA Member professionals for the extraordinary and exemplary contributions and achievements in the area of Player Development. This award considers the Professional's growth of the game, leadership, commitment at the Section and National levels, plus the impact made at his/her own facility.

The guidelines for this award are:

- Contributions to Section and National Play Golf America initiatives.
- Quantity, quality and diversity of player development programs.
- Use of Play Golf America tools and resources.
- Quality of best practices, including uniqueness of ideas, increase in rounds/revenues, retention and customer satisfaction.
- Inspiration to fellow PGA Professionals in the area of player development.

Congratulations, Andy, on winning this prestigious award.

The 2008 Victory Golf Show of Philadelphia was a huge success. Attendees were able to visit over 140 vendors, including golf courses and resorts, merchandisers and various services. PGA Golf Professionals were on hand to give free lessons, several golf club vendors had their products available at the Demo Range, contests for all members of the family were taking place over the course of the Show and several celebrities made appearances.

Mark your calendars now for the 2009 Victory Golf Show of Philadelphia, which is scheduled for March 6-8, 2009 at the Valley Forge Convention Center in King of Prussia, Pennsylvania. Next year's Show promises to be bigger and better and something you won't want to miss.
